HAPPY HOLIDAYS TO ALL!

DECEMBER 2015

MATH & SENSORIAL

"F" & "#9" WEEK-We learned 9 is nueve in Spanish and our color of the week was brown, bazo in Spanish and our shape was an ellipse. In addition to our regular choice-works, we went fishing for a number and matched it to the air bubble related to that number. We also matched different fabric textures, played frog on a log and the pink cubes-grading from largest to smallest.

"R" & "#10" WEEK-Our color was gray and our number 10 is diez in Spanish. In addition to our regular choice works, we matched rain drops to the correct numbered umbrella. We counted reindeer and rings and reviewed those tricky teens! Our shape was a pentagon.

Merry Christmas!

SCIENCE & GEOGRAPHY

"F" WEEK-We learned about different kinds of farms and learned what kind of animals are found on the farm. We learned what food and other things come from a farm. What is a fish and where do they live? We learned that a baby frog is called a tadpole.

"R" WEEK-We explored with rocks in our classroom and discovered that they can be found everywhere. They come in all shapes and sizes. Our Earth is made mostly of rocks-under the land & all the water in the world. We learned many interesting facts about reptiles. We learned they have rough, dry, scaly skin and are cold blooded. We also visited the rainforest and learned about rain and rainbows.

Happy Holidays!

In addition to sound box, letter gluing and Handwriting without Tears, some new choice works included:

"F" WEEK-Fruit basket matching which involved matching plastic fruit to the correct fruit word, flower arranging, fishing for the alphabet & felt boards.

"R" WEEK-We enjoyed working with objects found all around us that are rhyming words, i.e. cake-snake, lock-sock, bat-hat... We enjoyed rainbow letter works and robot works. **We really enjoyed our classic Christmas stories and making fun Christmas crafts. Of course, all in our pajamas!**

Merry Christmas!

ART & MUSIC

"F" WEEK-We sang many *fun* songs, listened to the flute and we had fun with paints. We enjoyed Thanksgiving crafts. We all enjoyed the fireman visitor.

"R" WEEK-We explored rhythm through drumming singing and dancing. We listened to a real rain stick. We enjoyed reindeer crafts.

Through the month of December, the children had a lot of fun making gifts, cards & gift bags for their loved ones! They put a lot of love into their projects. We hope you enjoy them!

Have a beautiful Christmas time!
